

Introducing ComPsych® Huddles

Online Groups for your Well-Being Journey

Everyone's health and well-being journey is different. We each have our own individual preferences and care needs. Sometimes, however, our own journeys can benefit from the support and insights of a community of individuals with similar interest and well-being goals. That's what ComPsych® Huddles are all about.

ComPsych® Huddles are interactive online groups focused on education, skill building and peer connection. They provide a space to learn and grow in ways meaningful to our own journeys, while helping others to do the same. Huddles cover a range of well-being topics, including:

- Self-Care and Resiliency
- Everyday Mindfulness
- Relaxation Techniques
- Improving Sleep
- Nutrition 101
- Personalize Your Physical Activity
- Mood Management
- And more

Huddles are led by our highly experienced staff of licensed counselors and certified well-being coaches who offer evidenced-based information on the topic. They also lead participants in discussions and offer live skill-building practices when appropriate. Participants are encouraged to share experiences and helpful tips with others in the Huddle.

Huddle Up!

Participants can view the calendar of pre-scheduled upcoming Huddles on GuidanceResources® Online or the GuidanceNowSM app and self-register for topics that resonate with them. To join a session:

- Scan the QR code below or log on to GuidanceResources® Online. (If you have not yet registered on the site, use your organization's unique Web ID to do so.)
- Scroll down to the Additional Tools & Resources section
- Click **Online Huddles** to open the event calendar and registration page
- Select and register for your session

Everyone's journey is different. Huddles are here to help you on yours.
