SECTION 1 Changes to Benefits and Costs for Next Year

Section 1.1 – Changes to the Monthly Premium

Cost	2022 (this year)	2023 (next year)
Monthly plan premium. (You must also continue to pay your Medicare Part B premium, if applicable, unless it is paid for you by Medicaid.)	Please contact State of Delaware for more information about the premium for this plan.	Please contact State of Delaware for more information about the premium for this plan.

- Your monthly plan premium will be more if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as “creditable coverage”) for 63 days or more. Chapter 1 in the *Evidence of Coverage* explains the Part D late enrollment penalty.
 - State of Delaware has elected to pay for your Part D late enrollment penalty on your plan. However, if you join another plan, your Part D late enrollment penalty may not be covered and you may be responsible for paying your Part D late enrollment penalty.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage. This additional amount is called the Part D Income Related Monthly Adjustment Amount (Part D–IRMAA). Chapter 1 in the *Evidence of Coverage* explains Part D–IRMAA.
- Your monthly premium may be less if you are receiving “Extra Help” with your prescription drug costs. Please see Section 5 regarding “Extra Help” from Medicare.

Section 1.2 – Changes to the Pharmacy Network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies. Please reference Chapter 3 in the *Evidence of Coverage* which explains how to locate and fill prescriptions at network pharmacies.

There may be changes to our network of pharmacies for next year. Updated *Pharmacy Directory* information can be found using the pharmacy locator tool at Caremark.com. You may also call Customer Care for updated pharmacy information. **Please review a copy of your 2023 Pharmacy Directory located at MyDocumentSource.MemberDoc.com to see which pharmacies are in our network.**

It is important that you know that we may make changes to the pharmacies that are part of your plan during the year. If a mid-year change in our pharmacies affects you, please contact Customer Care so we may assist.

Section 1.3 – Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is provided electronically and located at MyDocumentSource.MemberDoc.com. It does not include drugs that you can get due to the additional coverage provided by State of Delaware. If you don’t see your drug on this list, it might still be covered.

We may make changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

Please note: State of Delaware provides additional coverage that may cover prescription drugs not included in your Medicare Part D benefit. There may be instances where your share of the cost may be more or less due to this additional coverage. If you are unsure about your share of the cost or which drugs may or may not be covered, please call Customer Care.

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online Drug List to provide the most up-to-date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 3 of your *Evidence of Coverage* and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Customer Care for more information.

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We have provided a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help” and didn’t receive this insert, please call Customer Care and ask for the “LIS Rider.”

There are four “drug payment stages.”

The following information shows the changes to the first two drug payment stages — the Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages — the Coverage Gap Stage or the Catastrophic Coverage Stage.) The Coverage Gap Stage and the Catastrophic Coverage Stage are for people with high drug costs.

Changes to the Deductible Stage

Stage	2022 (this year)	2023 (next year)
Stage 1: Deductible Stage	Because you have no deductible, this payment stage does not apply to you.	Because you have no deductible, this payment stage does not apply to you.

Changes to Your Cost Sharing in the Initial Coverage Stage

Stage	2022 (this year)	2023 (next year)
<p>Stage 2: Initial Coverage Stage</p> <p>Since you do not have an annual deductible, you start in the Initial Coverage Stage when you fill your first prescription of the year.</p> <p>During this stage, the plan pays its share of the cost of your drugs, and you pay your share of the cost.</p> <p>You pay the costs in this table when you fill your prescription at a network retail pharmacy. For information about the costs for a long-term supply or for mail-order prescriptions, look in Chapter 4, Section 5 of your <i>Evidence of Coverage</i>.</p> <p>We changed the tier for some of the prescription drugs on our Drug List. To see if your drugs will be in a different tier, look them up on the Drug List.</p>	<p>Your share of the cost during the Initial Coverage Stage:</p> <p>Network Retail Pharmacy (31-day) Generic: \$8.00 Preferred Brand: \$28.00 Non-Preferred Brand: \$50.00</p> <p>Network Retail Pharmacy (90-day) Generic: \$16.00 Preferred Brand: \$56.00 Non-Preferred Brand: \$100.00</p> <p>Mail Order (90-day) Generic: \$16.00 Preferred Brand: \$56.00 Non-Preferred Brand: \$100.00</p>	<p>Your share of the cost during the Initial Coverage Stage:</p> <p>Network Retail Pharmacy (31-day) Generic: \$8.00 Preferred Brand: \$28.00 Non-Preferred Brand: \$50.00</p> <p>Network Retail Pharmacy (90-day) Generic: \$16.00 Preferred Brand: \$56.00 Non-Preferred Brand: \$100.00</p> <p>Mail Order (90-day) Generic: \$16.00 Preferred Brand: \$56.00 Non-Preferred Brand: \$100.00</p>
	Once your total drug costs have reached \$4,430, you will move to the next stage (the Coverage Gap Stage).	Once your total drug costs have reached \$4,660, you will move to the next stage (the Coverage Gap Stage).

State of Delaware Annual Maximum Out-of-Pocket (MOOP)

Maximum Out-of-Pocket (MOOP) — The most a person will pay in a year for deductibles and copayments/coinsurance for covered benefits. This amount can vary by plan.

After you reach your individual or family maximum out-of-pocket costs of \$2,100 (individual) / \$4,200 (family), State of Delaware will pay the rest of your annual drug costs.

Important Message About What You Pay for Vaccines - Our plan covers most Part D vaccines at no cost to you. Call Customer Care for more information.

Important Message About What You Pay for Insulin - You won't pay more than \$35 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on.

SECTION 2 Deciding Which Plan to Choose

Section 2.1 – If You Want to Stay in SilverScript

To stay in our plan, you don't need to do anything. If you do not sign up for a different plan by October 23, you will automatically stay enrolled in SilverScript.

Section 2.2 – If You Want to Change Plans

We hope to keep you as a member next year, but if you want to change plans for 2023, follow these steps:

Step 1: Learn about and compare your choices

- You can stay in your current prescription drug plan.
- You can join a different Medicare prescription drug plan.
- –OR– You can change to a Medicare health plan. Some Medicare health plans also include Part D prescription drug coverage.
- –OR– You can keep your current Medicare health coverage and drop your Medicare prescription drug coverage.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2023* handbook, call your State Health Insurance Assistance Program (SHIP) (see Section 4 for contact information), or call Medicare (see Section 6.2).

Step 2: Change your coverage

- To **change to a different Medicare prescription drug plan**, enroll in the new plan. You will automatically be disenrolled from SilverScript.
- To **change to a Medicare health plan**, enroll in the new plan. Depending on which type of plan you choose, you will automatically be disenrolled from SilverScript.
 - You will automatically be disenrolled from SilverScript if you enroll in any Medicare health plan that includes Part D prescription drug coverage. You will also automatically be disenrolled if you join a Medicare HMO or Medicare PPO, even if that plan does not include prescription drug coverage.
 - If you choose a Private Fee-For-Service plan without Part D drug coverage, a Medicare Medical Savings Account plan, or a Medicare Cost Plan, you can enroll in that new plan and keep SilverScript for your drug coverage. Enrolling in one of these plan types will not automatically disenroll you from SilverScript. If you are enrolling in this plan type and want to leave our plan, you must ask to be disenrolled from SilverScript. To ask to be disenrolled, you must send us a written request or contact Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.
- To **change to Original Medicare without a prescription drug plan**, you must:

SECTION 3 Deadline for Changing Plans

You can make a change during the **Annual Enrollment Period for State of Delaware from October 3 to October 23**. The change will take effect on January 1, 2023.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area may be allowed to make a change at other times of the year. For more information, see Chapter 8, Section 2.2 of the *Evidence of Coverage*.

SECTION 4 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. A SHIP is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. SHIP counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. To learn more about the program, check with your state’s SHIP (the name and phone numbers for this organization are in the Appendix of your *Evidence of Coverage*).

SECTION 5 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

“Extra Help” from Medicare. People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs, including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or Part D late enrollment penalty. To see if you qualify, call:

- 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048;
- The Social Security Office at 1-800-772-1213 between 8 a.m. and 7 p.m., Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call 1-800-325-0778; or
- Your State Medicaid Office (applications).

Help from your state’s pharmaceutical assistance program. A State Pharmaceutical Assistance Program (SPAP) helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program (the name and phone numbers for this organization are in the Appendix of your *Evidence of Coverage*).

Prescription cost-sharing assistance for persons with HIV/AIDS. The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of state residence and HIV status, low income as defined by the state, and uninsured/underinsured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through your state’s ADAP. For information on eligibility criteria, covered drugs, or how to enroll in the

program, please call your state's ADAP (the name and phone numbers for this organization are in the Appendix of your *Evidence of Coverage*).
