SECTION 1 Changes to Benefits & Costs for Next Year

Section 1.1 – Changes to the Monthly Plan Premium

Cost	2025 (this year)	2026 (next year)
Monthly plan premium. (You must also continue to pay your Medicare Part B premium, if applicable, unless it is paid for you by Medicaid.)	Please contact State of Delaware for more information about the premium for this plan.	Please contact State of Delaware for more information about the premium for this plan.

Factors that could change your Part D Premium Amount

- Late Enrollment Penalty – Your monthly plan premium will be more if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as creditable coverage) for 63 days or more. Chapter 1 in the *Evidence of Coverage* explains the Part D late enrollment penalty.
 - State of Delaware has elected to pay for your Part D late enrollment penalty on your plan, if applicable. However, if you join another plan, your Part D late enrollment penalty may not be covered and you may be responsible for paying your Part D late enrollment penalty.
- Higher Income Surcharge – If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare drug coverage.
- Extra Help - Your monthly plan premium will be *less* if you get Extra Help with your drug costs. Go to Section 4 for more information about Extra Help from Medicare.

Section 1.2 – Changes to the Pharmacy Network

Amounts you pay for your prescription drugs can depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies.

Our network of pharmacies may change for next year. Review the 2026 *Pharmacy Directory* at SilverScriptEmployerPDP.MemberDoc.com to see which pharmacies are in our network. Here's how to get an updated *Pharmacy Directory*:

- Visit Caremark.com to use the online pharmacy locator tool.
- Call Customer Care at 1-844-757-0448 (TTY users call 711) to get current pharmacy information or to ask us to mail you a *Pharmacy Directory*.

We may make changes to the pharmacies that are part of your plan during the year. If a mid-year change in our pharmacies affects you, call Customer Care at 1-844-757-0448 (TTY users call 711) for help.

Section 1.3 – Changes to Part D Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a formulary or Drug List. A copy of our Drug List is provided electronically and located SilverScriptEmployerPDP.MemberDoc.com. The Drug List includes many—but not all—of the drugs that we'll cover next year. If you don't see your drug on this list, it might still be covered by the additional coverage provided by State of Delaware.

We have made changes to our Drug List, which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs, or moving them to a different cost-sharing tier. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the Drug List are new for the beginning of each year. However, we might make other changes that are allowed by Medicare rules that will affect you during the plan year. We update our online Drug List at least monthly to provide the most up-to-date list of drugs. If we make a change that will affect your access to a drug you are taking, we will send you a notice about the change.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 3 of your *Evidence of Coverage* and talk to your prescriber to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Customer Care 1-844-757-0448 (TTY users call 711) for more information.

Section 1.4 – Changes to Prescription Drug Benefits & Costs

Do you get Extra Help to pay for your drug coverage costs?

If you are in a program that helps pay for your drugs (Extra Help), **the information about costs for Part D drugs may not apply to you.** We have included a separate material, called the *Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs*, which tells you about your drug costs. If you receive Extra Help and didn't get this material, call Customer Care at 1-844-757-0448 (TTY users call 711) and ask for the *LIS Rider*.

Drug Payment Stages

There are 3 drug payment stages: the Deductible Stage, the Initial Coverage Stage, and the Catastrophic Coverage Stage. The Coverage Gap Stage and the Coverage Gap Discount Program no longer exist in the Part D benefit.

- **Stage 1: Deductible**
We have no deductible, so this payment stage doesn't apply to you.
- **Stage 2: Initial Coverage**
In this stage, our plan pays its share of the cost of your drugs, and you pay your share of the cost. You generally stay in this stage until your year-to-date Out-of-Pocket costs reach \$2,100.
- **Stage 3: Catastrophic Coverage**
This is the third and final drug payment stage. In this stage, you pay nothing for your covered Part D drugs. You generally stay in this stage for the rest of the calendar year.

The Coverage Gap Discount Program has been replaced by the Manufacturer Discount Program. Under the Manufacturer Discount Program, drug manufacturers pay a portion of our plan's full cost for covered Part D brand name drugs and biologics during the Initial Coverage Stage and the Catastrophic Coverage Stage. Discounts paid by manufacturers under the Manufacturer Discount Program do not count toward out-of-pocket costs.

Drug Costs in Stage 1: Deductible

The table shows your cost per prescription during this stage.

	2025 (this year)	2026 (next year)
Deductible	Because you have no deductible, this payment stage does not apply to you. You will begin in Stage 2. See below for more information.	Because you have no deductible, this payment stage does not apply to you. You will begin in Stage 2. See below for more information.

Drug Cost in Stage 2: Initial Coverage

The table shows your cost per prescription for a one-month (31-day) supply filled at a network pharmacy.

We changed the tier for some of the drugs on our Drug List. To see if your drugs will be in a different tier, look them up on the Drug List. Most adult Part D vaccines are covered at no cost to you. For more information about the costs of vaccines, or information about the costs, go to Chapter 6 of your *Evidence of Coverage*.

Once you've paid \$2,100 out of pocket for covered Part D drugs, you'll move to the next stage (the Catastrophic Coverage Stage).

Tier 1 Generic:	(31-day supply) \$10.00	(31-day supply) \$10.00
Tier 2 Preferred Brand:	(31-day supply) \$32.00	(31-day supply) \$32.00
Tier 3 Non-Preferred Brand:	(31-day supply) \$60.00	(31-day supply) \$60.00
Insulin	You won't pay more than \$35 for a one-month supply of each covered insulin product regardless of the cost-sharing tier.	You won't pay more than \$35 for a one-month supply of each covered insulin product regardless of the cost-sharing tier.

Changes to the Catastrophic Coverage

If you reach the Catastrophic Coverage Stage, you pay nothing for covered Part D drugs and for excluded drugs that are covered under the additional coverage provided by State of Delaware.

For specific information about your costs in the Catastrophic Coverage Stage, go to Chapter 4, Section 6 in your *Evidence of Coverage*.

SECTION 2 Administrative Changes

Description	2025 (this year)	2026 (next year)
Medicare Prescription Payment Plan	The Medicare Prescription Payment Plan is a payment option that began this year and can help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across the calendar year (January-December). You may be participating in this payment option.	<p>If you're participating in the Medicare Prescription Payment Plan and stay in the same Part D plan, your participation will be automatically renewed for 2026.</p> <p>To learn more about this payment option, please contact Customer Care at 1-844-757-0448 (TTY users call 711) or visit www.Medicare.gov.</p>

SECTION 3 How to Change Plans

To stay in SilverScript, you don't need to do anything. Unless you sign up for a different plan or change to Original Medicare by October 31, you'll automatically be enrolled in SilverScript.

If you want to change plans for 2026 follow these steps:

- **To change to a different Medicare health plan,** enroll in the new plan. Depending on which type of plan you choose, you will automatically be disenrolled from SilverScript.
 - You will automatically be disenrolled from SilverScript if you enroll in any Medicare health plan that includes Part D prescription drug coverage. You will also automatically be disenrolled if you join a Medicare Health Maintenance Organization (HMO) or Medicare Preferred Provider Organization (PPO), even if that plan does not include prescription drug coverage.
 - If you choose a Private Fee-For-Service plan without Part D drug coverage, a Medicare Medical Savings Account plan, or a Medicare Cost Plan, you can enroll in that new plan and keep SilverScript for your drug coverage. Enrolling in one of these plan types will not automatically disenroll you from SilverScript. If you are enrolling in this plan type and want to leave our plan, you must ask to be disenrolled from SilverScript. To ask to be disenrolled, you must send us a written request or contact Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.
- **To change to Original Medicare with Medicare drug coverage,** enroll in the new Medicare drug plan. You'll be automatically disenrolled from SilverScript.

- **To change to Original Medicare without a drug plan**, you can send us a written request to disenroll. Call Customer Care at 1-844-757-0448 (TTY users call 711) for more information on how to do this. Or call **Medicare** at 1-800-MEDICARE (1-800-633-4227) and ask to be disenrolled. TTY users can call 1-877-486-2048. If you don't enroll in a Medicare drug plan, you may pay a Part D late enrollment penalty (go to Section 1).
- **To learn more about Original Medicare and the different types of Medicare plans**, visit www.Medicare.gov, check the *Medicare & You 2026* handbook, call your State Health Insurance Assistance Program (go to Section 5), or call 1-800-MEDICARE (1-800-633-4227).

Section 3.1 – Deadline for Changing Plans

People with Medicare can make changes to their coverage from **October 20 - October 31** each year.

If you enrolled in a Medicare Advantage plan for January 1, 2026, and don't like your plan choice, you can switch to another Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without separate Medicare drug coverage) between January 1 – March 31, 2026.

Section 3.2 – Are there other times of the year to make a change?

In certain situations, people may have other chances to change their coverage during the year. Examples include people who:

- Have Medicaid
- Get Extra Help paying for their drugs
- Have or are leaving employer coverage
- Move out of our plan's service area

If you recently moved into or currently live in an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without separate Medicare drug coverage) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for 2 full months after the month you move out.

SECTION 4 Get Help Paying for Prescription Drugs

You may qualify for help paying for prescription drugs. Different kinds of help are available:

- **Extra Help from Medicare.** People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs, including prescription drug plan premiums, yearly deductibles, and coinsurance. Also, people who qualify will not have a late enrollment penalty. To see if you qualify, call:
 - 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users can call 1-877-486-2048.

- Social Security at 1-800-772-1213 between 8 a.m. and 7 p.m., Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users can call 1-800-325-0778.
- Your State Medicaid Office.
- **Help from your state's pharmaceutical assistance program.** A State Pharmaceutical Assistance Program (SPAP) helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program (SHIP). To get the phone number for your state, visit shiphelp.org, or call 1-800-MEDICARE (the name and phone numbers for this organization are in the Appendix of your *Evidence of Coverage*).
- **Prescription Cost-Sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible people living with HIV/AIDS have access to life-saving HIV medications. To be eligible for the ADAP operating in your state, you must meet certain criteria, including proof of state residence and HIV status, low income as defined by the state, and uninsured/underinsured status. Medicare Part D drugs that are also covered by ADAP qualify for prescription cost-sharing help through your state's ADAP. For information on eligibility criteria, covered drugs, how to enroll in the program, or, if you are currently enrolled, how to continue getting help, call your state's ADAP (the name and phone numbers for this organization are in the Appendix of your *Evidence of Coverage*). Be sure, when calling, to inform them of your Medicare Part D plan name or policy number.
- **The Medicare Prescription Payment Plan.** The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across the calendar year (January – December). Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare Advantage plan with drug coverage) can use this payment option. **This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs.**

Extra Help from Medicare and help from your SPAP and ADAP, for those who qualify, is more advantageous than participation in the Medicare Prescription Payment Plan. All members are eligible to participate in the Medicare Prescription Payment Plan, regardless of income level. To learn more about this payment option, call Customer Care at 1-844-757-0448 or visit www.Medicare.gov.
