Step-by-Step Instructions:
Finding A Primary Care Dentist

State of Delaware

- 1) Visit Dominion National's Provider Search Website (dominionnational.com/find-a-dentist). Note: This link is on the SBO website.
- 2) Find A Dentist, choose "**General Dentist**" for Type and "**Select Plan (State of Delaware)**" for Plan.
 - You have the ability to customize your search by City, State, Zip Code, Proximity, or Provider Name. Click on "More or Less Options" to customize your search.

The screenshot shows the 'Guest Dentist Search' interface. At the top, there are tabs for 'Guest Dentist Search' and 'Member Login'. Below this is a search bar containing 'New Castle, DE, USA'. A dropdown menu is set to 'General Dentist', and a plan selection dropdown is set to 'Select Plan (State of Delaware)'. A distance slider is set to '5 miles'. There are input fields for 'Dental Office Name', 'Dentist First Name', and 'Dentist Last Name'. A 'Find' button is at the bottom left, and a 'Less Options' button with a minus sign is at the bottom right. Three blue arrows point to these elements: 'General Dentist' points to the dropdown, 'Select Plan (State of Delaware)' points to the plan dropdown, and 'Click on "More or Less Options" to customize search' points to the 'Less Options' button.
