As a Dominion National member, you have access to additional benefits to help support you on your path to overall health and wellness. These benefits include:

SmileDirectClub's Clear Aligner Program

SmileDirectClub's orthodontic clear aligners offer a flexible and convenient alternative to traditional braces without the higher price tag or required monthly in-person visits.

How does the SmileDirectClub program work?

1. **Take your 3D image:** Get started in the convenience of your home with an easy-to-use impression kit; at one of SmileDirectClub's SmileShops; or at a SmileDirectClub affiliated dental practice.¹ A state-licensed dentist or orthodontist reviews your case and prescribes aligners, if appropriate.
2. **Preview your new smile:** You will receive a digital model and timeline for your improved smile; your custom-made aligners are created, which will arrive within 3-4 weeks in the mail; then treatment begins.
3. **Virtual check-ins:** Your assigned dentist or orthodontist will have regular virtual check-ins, guiding your treatment remotely through the SmileDirectClub platform. An experienced dental team is also available around-the-clock via text, video chat, email or phone.
4. **Show the world your new smile:** After 4-6 months, treatment is complete and your new smile awaits. SmileDirectClub provides a lifetime guarantee² and oral care maintenance advice so you can protect your new smile.

With SmileDirectClub's clear aligner program, you can achieve **significant savings on orthodontia** (up to 67%) compared to the national average cost of traditional braces and Invisalign.³
