Dominion Single Sign-On (SSO) In Employee Self-Service (ESS)

Q 1. Who is eligible to participate in the Single Sign-On?
A 1. Benefit-eligible State, school district, charter school and higher education employees (with the exception of the University of Delaware) who are currently enrolled in a State of Delaware dental plan administered by Dominion, are eligible and encouraged to access their Dominion member account via Single Sign-On (SSO) in Employee Self-Service.

In instances where both spouses are state employees, and enrolled under one plan, only the employee who holds the coverage (policy/contract holder) can access their Dominion member account via SSO in Employee Self-Service (ESS).
