## Manage your claim from anywhere with MyBenefits

MyBenefits is a next-generation portal that allows you to easily manage your disability claim from your mobile device or computer. You'll get an enhanced view of your claim status, coverages and much more. It's simply a faster and more convenient way to file and view claims status online. With MyBenefits, you're in total control any time, any day.

### With MyBenefits you can easily:

- File a claim
- Request a claim extension
- Review claim status
- Sign up for direct deposit for Long-term Disability
- Review claim process timeline
- Sign up for email and text alerts
- View claim letters
- Download, e-sign and upload forms and claim documents
- Confirm important dates such as last day worked, surgery, delivery and return-to-work dates
- Chat FAQ and live chat during business hours
- View and manage your claim in English or Spanish
- View a personalized To Do List with required claim actions

## Types of claims that can be filed and viewed with MyBenefits

Short-term Disability, Long-term Disability<sup>1</sup>

<sup>1</sup>Long-term Disability claims can be filed pre-login only.
