Components of the GHIP strategic framework

Mission
- Mission Statement
  - Statement articulating GHIP purpose

Goals
- Program Goals
  - Provides an outline of what the GHIP strives to accomplish over the next 3-5 year time period
  - Goals follow SMART principle (Specific, Measureable, Attainable, Relevant and Time-bound)

Strategies
- Advances the goals
- Strategies tie specifically to goals (each may advance >1 goal)

Tactics
- Action-items intended to advance a specific strategy
- Tactics are a means of achieving program goals through furthering specific strategies
