Form Version 2020-09-29
Your election under the Flexible Spending Plan is irrevocable for the Plan Year, unless you experience a qualifying event and your requested election change corresponds with that gain or loss of coverage.

When can I make a change to my Flexible Spending Account Elections?

You may change your election or enroll during the plan year if you, your spouse, or a dependent experience an event listed below which results in a gain or loss of eligibility for coverage under the State of Delaware Flexible Spending Account or a similar plan maintained by your spouse or dependent’s employer. Your requested election change must correspond with that gain or loss of eligibility for coverage. If you have not experienced one of the qualifying events listed below, then you cannot make a change to your flexible spending until the next Annual Benefits Open Enrollment.

Health Care FSA & Dependent Care FSA Plan Qualifying Events:

- Your legal marital status changes through marriage, divorce, death or annulment.
- Your number of dependents changes by reason of birth, adoption (or placement for adoption), or death. (If your child no longer qualifies for dependent care because he or she turned 13, then that is a loss of a dependent under the Dependent Care Flexible Spending Account Plan, but not under any of the other plans.)
- You, your spouse or any of your dependents have a change in employment status (termination, retirement, new employment, change from part time to full time or vice versa) that affects eligibility for health insurance.

Health Care FSA Plan Qualifying Events ONLY:

- You are served with a judgment, decree or court order, including a qualified medical child support order regarding coverage for a dependent.
- If you, your spouse or a dependent becomes entitled to and covered under Medicare or Medicaid, you may drop or reduce coverage under the Health Care Flexible Spending Account Plan.
- If you, your spouse or a dependent loses eligibility and coverage under Medicare or Medicaid, you may add or increase coverage under the Health Care Flexible Spending Account Plan.

Dependent Care FSA Plan Qualifying Events ONLY

- You change dependent care providers (including school or other free provider).
- You may make a corresponding change to your Dependent Care Flexible Spending Account if your dependent care provider who is not your relative changes your costs significantly.

How do I request the change to my Flexible Spending Account Elections?

If you have experienced one of the above qualifying events, please complete the Flexible Spending Account Election Change Form and return to the Statewide Benefits Office. It is the employee's responsibility to file the Election Change Form with the Statewide Benefits Office within 31 days of the qualifying event. Requests received after 31 days will not be approved.
