

# Diabetes Management, Simplified

A simple, advanced blood glucose meter, and as many strips and lancets as you need, at no cost to you.

## It's all in the meter and on the house.

Personalized tips with each blood glucose check

Real-time support when you're out of range

Strip reordering, right from your meter

Optional family alerts keep everyone in the loop

Send a health summary report directly from your meter

Automatic uploads mean no more paper logbooks

## Unlimited strips. Unlimited lancets. It's all free for you.
