Discover real relief

Hormonal changes in midlife can bring on a host of symptoms that are often misunderstood. Midi's expert clinicians can help you find safe, effective solutions.

Midi connects you to expert clinicians via virtual visits. After discussing your symptoms and health history, they help you get any necessary lab tests and create a personalized Care Plan.

Your regimen may include:

-  FDA-approved hormonal medications
-  Non-hormonal medications
-  Supplements and botanicals Lifestyle
-  coaching
-  Wellness therapies

Midi Health has teamed up with Aetna to offer expert virtual menopause care for members with Aetna health plans.
