*Aetna and Highmark Delaware have designated certain healthcare facilities within their provider network as Centers of Excellence, or simply COE Facilities. COE Facilities have been identified as delivering high-quality services and superior outcomes for specific procedures or conditions. Important Note on Allowable Charge and Coinsurance:

- **Allowable Charge is the price your health carrier (Highmark or Aetna) determines is reasonable for care or supplies. The amount the plan pays for covered services received in or out-of-network is based on the allowable charge and this may be different than the billed amount shown on your Explanation of Benefits (EOB). If an out-of-network provider bills more than the allowable charge, you may have to pay the difference.**
- **Coinsurance is the part of the allowable charge that you pay after you satisfy your deductible and is typically a percentage of the allowable charge for a service. For example, if the health plan covers 90% of the allowable charge for a specific service, you may be required to pay the remaining 10% as coinsurance. If your in-network allowable charge for covered medical services is $100 and your coinsurance is 10%, you would pay $10. The health plan would pay the remaining $90.**
