Phew, that's a lot of good stuff. And it just takes a tiny card with your name on it to get it all. Talk about simple.

Health care lingo, translated.

When you're choosing a plan, you're bound to see certain terms over and over. Here's a cheat sheet for a few of the most important ones. (If you want the complete glossary, check your benefit booklet.)

PREMIUM

The monthly amount you or your employer pay so you have health coverage.

DEDUCTIBLE

The set amount you pay for covered health services before your plan starts paying.

COPAY

The set amount you pay for a covered service after your deductible has been met. For example: \$20 for a doctor visit or \$30 for a specialist.

COINSURANCE

The percentage you owe for covered services, after your deductible has been met. For example, if your plan pays 80%, you pay 20%.

ALLOWABLE CHARGES

The set amount your plan will pay for a health service, even if your in-network provider bills for more.

IN-NETWORK PROVIDER

A doctor, hospital, or health care provider that accepts your plan allowance and cost sharing as full payment. They won't bill you extra, but you could still have to pay your copays.

MAXIMUM OUT-OF-POCKET

The most you'd pay for covered care. If you hit this amount, your plan pays 100% after that.

Our friends in the legal department asked us to include this.

Blue Distinction Specialty Care is a registered mark of the Blue Cross Blue Shield Association. Blue Distinction Centers (BDC) met overall quality measures, developed with input from the medical community. A Local Blue Plan may require additional criteria for providers located in its own service area; for details, contact your Local Blue Plan. Blue Distinction Centers+ (BDC+) also met cost measures that address consumers’ need for affordable healthcare. Each provider’s cost of care is evaluated using data from its Local Blue Plan. Providers in CA, ID, NY, PA, and WA may lie in two Local Blue Plans’ areas, resulting in two evaluations for cost of care; and their own Local Blue Plans decide whether one or both cost of care evaluation(s) must meet BDC+ national criteria. Total Care (“Total Care”) providers have met national criteria based on provider commitment to deliver value-based care to a population of Blue members. Total Care+ providers also met a goal of delivering quality care at a lower total cost relative to other providers in their area. Program details are displayed on www.bcbs.com. Individual outcomes may vary. For details on a provider’s in-network status or

your own policy’s coverage, contact your Local Blue Plan and ask your provider before making an appointment.
