APPOINTMENTS

Most LabCorp and Quest Diagnostics locations welcome patients without an appointment. You can walk in and receive testing. Sites are generally busiest from opening until 10 a.m. If fasting is not required, you may wish to schedule an appointment during off-peak hours.

To schedule an appointment:

- For LabCorp, use the online scheduling system at labcorp.com.
- For Quest Diagnostics, you can make appointments through questdiagnostics.com/home/.

REMEMBER TO BRING:

- Prescriptions or test orders from your physician.
- Your current Highmark Delaware member ID card.
- Your personal identification card, such as a driver's license.

PAYMENT AND BILLING

- Applicable copays must be paid by cash, check, or credit card when services are received.
- State of Delaware members are not required to provide a credit card for billing, other than to pay applicable copays.
- For questions regarding Quest Diagnostics billing, call **800-697-8378**.
- For questions regarding LabCorp billing, call LabCorp customerservice at **800-845-6167**.

Laboratory services — such as blood work, urinalysis, and other tests — can be obtained through any LabCorp or Quest Diagnostics facility. LabCorp and Quest Diagnostics are Highmark Delaware's only network, freestanding laboratory facilities. Covered services at one of these labs may result in lower member cost share for you.

You can go to any LabCorp or Quest Diagnostics location within Delaware and be assured of a high level of safety and quality. Facilities are located throughout Delaware with convenient hours before and after work.

If you live outside Delaware, you should use a network lab that is in the same state in which your referring physician is located. For assistance in locating an out-of-state, in-network lab, contact Highmark Delaware's Member Service at 1-844-459-6452 or visit Highmark Delaware at myhighmark.com.

*Your health is our top priority,
and we want to make sure you
get the right health care at the
right time in the right place.
Laboratory testing gives your
doctors the information they
need to help you stay healthy.*
