

Benefits Overview

Welcome to Delta Dental, your ally in protecting your smile.

Your plan:

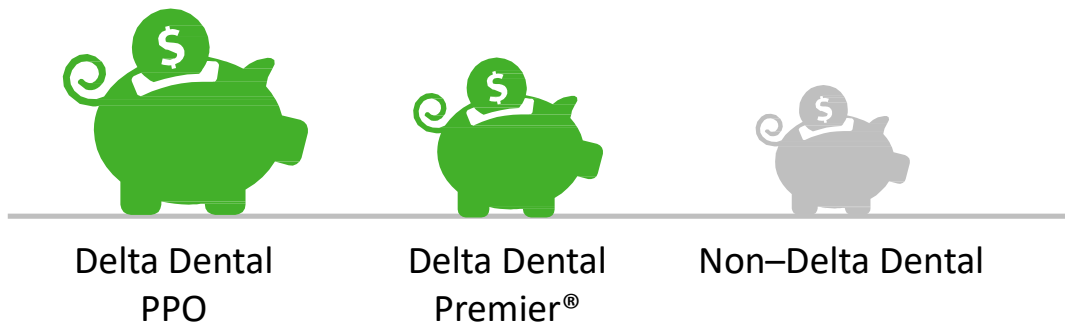

Delta Dental PPO™

DPO in Texas

You're covered under a Delta Dental PPO plan. Let's take a look.

Choose a PPO dentist to save

Maximize your savings by visiting a Delta Dental PPO dentist. Your second-best bet is a Delta Dental Premier dentist.

If you choose a non-Delta Dental dentist, you'll receive coverage, but your out-of-pocket expenses may be higher. If your dentist charges more than the set fee for that service, you will be responsible for the difference. (This is called balance billing.)

Find a PPO dentist

1. Go to **deltadentalins.com**.
2. Enter your location.
3. Select **Delta Dental PPO** as your network.
4. Click **Search**.

Maximums and deductibles

- An **annual maximum** is the total your plan pays for covered services each year
- A **deductible** is the amount you pay out of pocket before your plan begins to cover services
- A **lifetime orthodontic maximum** is the total your plan pays for orthodontic treatment

An annual maximum is the total your plan pays per person during a single year.

A deductible is the amount you must pay out of pocket before your dental plan begins to cover services.

A lifetime orthodontic maximum is the total your plan pays per person for orthodontic treatment. It does not reset each year.

Get a cost estimate

- Real-time, personalized cost estimates at your fingertips
- Compare costs at your current dentist to other dentists

The screenshot displays a web interface for a dental cost estimator. At the top, it says "I need a root canal" and "October 16, 2018". Below this, there's a "Network savings" section explaining that network dentists charge lower fees. The interface compares two dentists:

Typical cost of a root canal at your dentist	Typical cost of a root canal at nearby dentists in your network
\$102.50 out of pocket Sepead Hokmabadi Dental Office Sepead Hokmabadi DDS 1000 Canyon Blvd #100 Oakland, CA 94612	\$71.30 out of pocket MICHAEL SIU Dental Center, P.C. Network Dental Services 1239 San Pablo Ave Ste 104

On the right, "Current Benefits" are listed:

- Calendar Individual Maximum: **\$1298.00 of \$2000.00 available**
- Lifetime Individual Maximum: **\$1800.00 of \$1800.00 available**

There are "Details" links for each benefit. A "Return to Portal" button is in the top right corner, and a speaker icon is in the bottom right corner.

Pre-treatment estimate

Recommended for dental work over \$300

Your dentist submits treatment plan

Delta Dental sends you and dentist an estimate of how much would be covered

Avoid potential surprises. If you're planning dental work over \$300, you might want to request a pre-treatment estimate. You and your dentist will each receive a copy of the estimate showing how much your plan covers and how much you're responsible for. Just ask your dentist to request a pre-treatment estimate from Delta Dental.
