

*01/09/2025 SEBC Email – Sent to State Agency, K12, DTCC, and DSU employees enrolled in the State’s High Vision Plan*

**Email Subject Line:** State High Vision Plan Participation and Preferences Survey

Dear Benefit-Eligible Employee,

The State Employee Benefits Committee (SEBC) is responsible for the management and selection of health and related insurance plans offered to State of Delaware benefit-eligible employees and pensioners. The SEBC will be releasing a Request for Proposals (RFP) for State vision plan administration during calendar year 2025. The SEBC is interested in your opinion of our current State vision plan offerings and understanding what is important to you and your family when choosing a vision plan. Your feedback to a short survey is appreciated in helping the SEBC evaluate State vision plan options for our employees. Any contract(s) resulting from the Vision RFP could result in changes to the State vision plan offerings on or after July 1, 2026.

Please provide your responses to the [State High Vision Plan Participation and Preferences Survey](#) by January 31, 2025.

Best of Health,

The State Employee Benefits Committee
