

01/27/2025 SEBC Email – Sent to State Agency, K12, DTCC, and DSU employees enrolled in the State’s Low Vision Plan

Email Subject Line: REMINDER: State Low Vision Plan Participation and Preferences Survey

Dear Benefit-Eligible Employee,

For those who provided responses to the State Vision Plan Participation and Preferences Survey, thank you and you can disregard this email.

If you have not responded to the survey, there is still time! Please provide your responses to the [State Low Vision Plan Participation and Preferences Survey](#) by January 31, 2025.

The State Employee Benefits Committee (SEBC) will be releasing a Request for Proposals (RFP) for State vision plan administration during calendar year 2025. The SEBC is interested in your opinion of our current State vision plan offerings and understanding what is important to you and your family when choosing a vision plan. Your feedback to a short survey is appreciated in helping the SEBC evaluate State vision plan options for our employees. Any contract(s) resulting from the Vision RFP could result in changes to the State vision plan offerings on or after July 1, 2026.

Best of Health,

The State Employee Benefits Committee
