

*03/10/2025 SEBC Email – Sent to State Agency, K12, DTCC, and DSU employees eligible for the State’s GUL Plan but not enrolled*

**Email Subject Line:** State of Delaware Life Insurance Participation and Preferences Survey

Dear Benefit-Eligible Employee,

The State Employee Benefits Committee (SEBC) is responsible for the management and selection of health and related insurance plans offered to State of Delaware benefit-eligible employees and pensioners. The SEBC will be releasing a Request for Proposals (RFP) for State of Delaware life insurance plan administration during calendar year 2025. Our records show you are eligible; however, you are not enrolled in the State of Delaware Life Insurance Plan through Securian Financial®\*. The SEBC is interested in understanding what is important to you and your family when considering the purchase of life insurance. Your feedback to a short online survey is appreciated in helping the SEBC evaluate future State of Delaware life insurance plan options available to employees. Any contract(s) resulting from the Life Insurance RFP could result in changes to the State of Delaware life insurance plan offerings beginning July 1, 2026.

To help you understand life insurance offerings and to allow you to provide feedback, we have created a short online course [Life Insurance Background and Survey \(Eligible Employees\)](#). A link to the online survey is at the end of the course. Please provide your responses to the online survey by March 31, 2025.

*\* This course and the survey questions are specific to the State of Delaware Life Insurance Plan through Securian Financial®. Survey responses should pertain only to the State of Delaware Life Insurance Plan through Securian Financial®.*

Best of Health,

The State Employee Benefits Committee
