Email Subject Line: Get the Facts on What’s Happening – June 2024 Updates

Dear Benefit-Eligible Employee,

Read the [Get the Facts on What’s Happening](#) frequently asked questions resource document for facts on what was discussed related to the Group Health Insurance Plan (GHIP) at last month’s State Employee Benefits Committee (SEBC) and SEBC Subcommittee meetings and actions taken by the SEBC. The document is available on the [SEBC page](#) of SBO’s website, in addition to lists of committee members, meeting schedules, meeting recordings, meeting materials, and more. In the **June 2024 Meetings** edition, we provide answers to the following questions:

- What decision did the SEBC make related to U.S. Digestive Health practices for Highmark non-Medicare health plan members?
- What decision is the SEBC considering related to the Employer Group Waiver Plan (EGWP) Medicare Part D Drug benefit for the Medicare retiree population?
- Which Request for Proposals (RFPs) are the SEBC Financial and Health Policy and Planning Subcommittees reviewing and providing input on?
- What updates were made to the Facts and Figures webpage on the Statewide Benefits Office (SBO) Website?
- What update was provided to the SEBC regarding the MedExpress Urgent Care locations in Delaware?

The SBO encourages you to visit the [SEBC page](#) monthly to stay up to date on discussions and decisions that impact your benefits.

Best of Health,
