Email Subject Line: Get the Facts on What’s Happening – October 2024 Updates

Dear Benefit-Eligible Employee,

Read the [Get the Facts on What’s Happening](#) frequently asked questions resource document for facts on what was discussed related to the Group Health Insurance Plan (GHIP) at last month’s State Employee Benefits Committee (SEBC) and SEBC Subcommittee meetings and actions taken by the SEBC. The document is available on the [SEBC page](#) of SBO’s website, in addition to lists of committee members, meeting schedules, meeting recordings, meeting materials, and more. In the **October 2024 Meetings** edition, we provide answers to the following questions:

- What did the SEBC discuss regarding Fiscal Year 2026 health plan premium rates and the actuarial values of the non-Medicare health plans?
- What was reviewed with the SEBC regarding House Resolution 32 and programs and services related to diabetes prevention and management?
- What diabetes prevention program was proposed to the SEBC and the Health Policy and Planning Subcommittee?
- What program enhancements are the Health Policy and Planning Subcommittee reviewing for the Highmark non-Medicare Well360 Virtual Health program?
- What potential changes are being discussed regarding the Audit Services Request for Proposals (RFP)?

The SBO encourages you to visit the [SEBC page](#) monthly to stay up to date on discussions and decisions that impact your benefits.

Best of Health,
