**Email Subject Line:** Get the Facts on What's Happening – June 2026 Updates

Dear Benefit-Eligible Employee,

Read the [Get the Facts on What's Happening](#) frequently asked questions resource document for facts on what was discussed related to the Group Health Insurance Plan (GHIP) at last month's State Employee Benefits Committee (SEBC) meeting and actions taken by the SEBC. The document is available on the [SEBC page](#) of the Statewide Benefits Office (SBO) website, in addition to lists of committee members, meeting schedules, meeting recordings, meeting materials, and more. In the **June 2026** edition, we provide answers to the following questions:

- What data was presented to the SEBC about how much the GHIP pays for hospital inpatient stays?
- What did the Committee review as it relates to Reference-Based Pricing (RBP)?
- What is the status of the SEBC Subcommittees?
- What changes would Senate Bill 289 make to the SEBC, if passed?
- What is the status of the report that is required under Senate Substitute 1 for Senate Joint Resolution 7?
- What is the status of the calendar year 2026 Request for Proposals (RFPs)?

You are encouraged to visit the [SEBC page](#) monthly to stay up to date on discussions and decisions that impact your benefits.

Best of Health,

The State Employee Benefits Committee
