# New Year, New Look, New Website Design!

The Statewide Benefits Office is excited to announce the launch of our newly designed website!

The new website has been designed with the user experience firmly in mind, continuing our mission *"Benefits Made Easy."*

Visit us at [de.gov/statewidebenefits](http://de.gov/statewidebenefits) to access the latest information regarding your benefits; including coverage options, upcoming events and enrollment information.

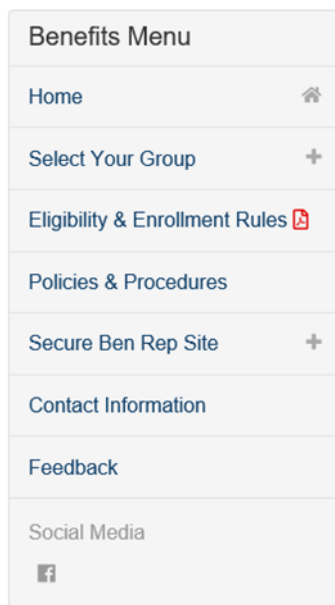

## What's New?

### Benefits are now arranged by Employer Group.

Simply select your group, and immediately gain access to benefit information that applies to you!

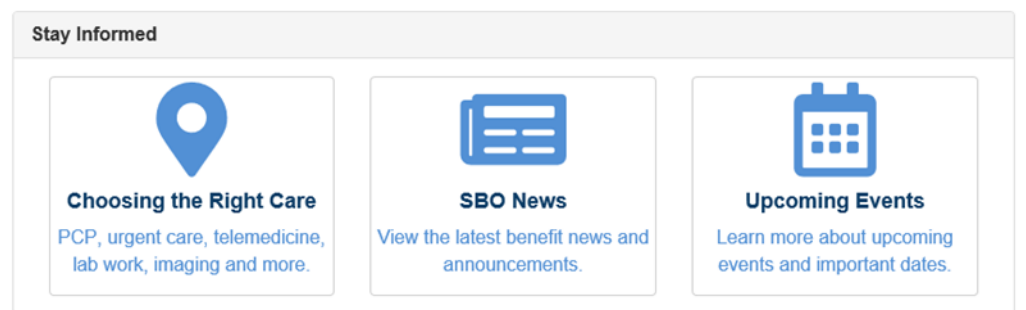

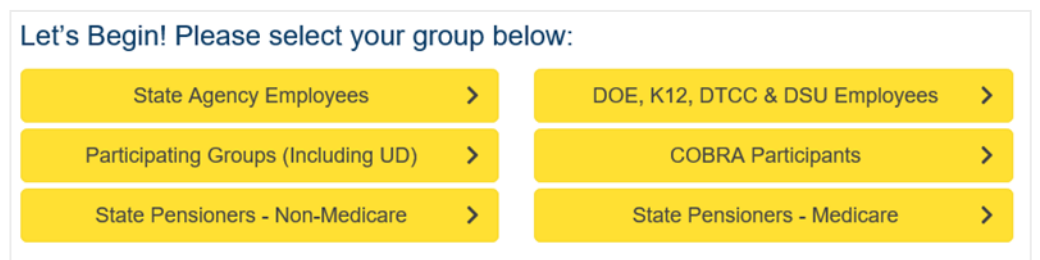

Benefits Administered by the Statewide Benefits Office are now customized based on group, feature vendor logos and quick links to locate benefit information, plan booklets and forms.

**Stay Informed at a Glance!** Access info to help you Choose the Right Care and stay up-to-date on SBO News and Upcoming Events directly from the Home Screen.

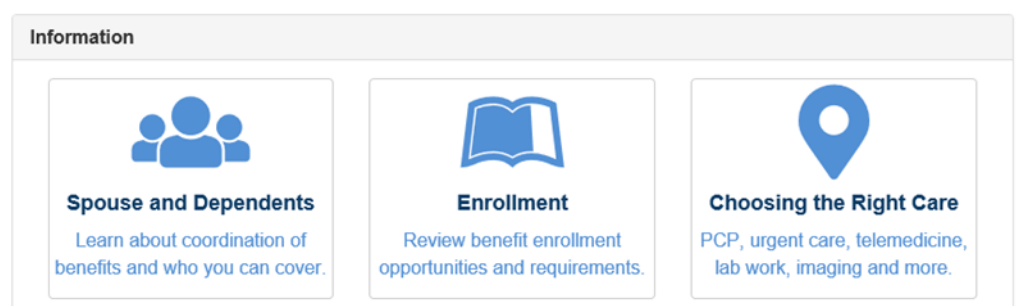

### Information is easily accessible and identifiable.

Topics are highlighted by icons and short descriptions to help you locate information quickly. The website's new design allows for a mobile and consumer-friendly experience.

**New, Improved Benefits Menu.** Always available for easy access are popular links to contact information, eligibility rules and other important policies. The New **Feedback Survey** feature allows you to provide feedback about the new website.
