

Hear all the sweet sounds of life

Hearing loss is more common than you think. In fact, hearing loss is the third most common chronic physical condition behind arthritis and heart disease, affecting people of all ages.¹ The good news is hearing aids and other devices like cochlear implants are proven effective in treating hearing loss and improving life.²

That's why we give you access to affordable hearing care discounts through Amplifon, the nation's largest independent hearing discount network – so you can enjoy all of life's sights and sounds.

YOUR HEARING DISCOUNT THROUGH AMPLIFON INCLUDES:

-  Save up to 64% off the retail price from the top brands³
-  2 years of free batteries mailed directly to your home
-  Access to thousands of hearing health providers nationwide
-  1 year of unlimited follow-up care and a 3-year warranty including coverage for repairs, loss or damage
-  60-day hearing aid trial period with no restocking fees

 Call 877.203.0675 to find a hearing care provider near you and schedule a hearing exam today
