

DELAWARE LEADERSHIP PROGRAM FOR STATE OF DELAWARE EMPLOYEES

FRONTLINE LEADERSHIP

Your Success as a Leader Begins Here!

Successful teams require leaders with excellent communication, motivation, time management, and employee development skills that are generally associated with years of experience. But is it possible to develop these skills without years of experience in a leadership role? Yes, it is!

iLEAD Delaware | Frontline Leadership was designed to assist you in developing the necessary skills to hit the ground running and excel in leadership.

Available to all merit and casual-seasonal State of Delaware employees who are current or aspiring first-level supervisors, *iLEAD Delaware | Frontline Leadership* focuses on meeting the challenges faced by frontline leaders including:

- Communication
- Decision-making
- Managing conflict
- Managing employee performance

Apply today to start building your leadership skills!!

Merit and casual-seasonal State of Delaware employees may apply for Frontline Leadership by logging into the Delaware Learning Center.
