

DELAWARE LEADERSHIP PROGRAM FOR STATE OF DELAWARE EMPLOYEES

LEADERSHIP ESSENTIALS

Want to Know the Secret to Great Leadership?

Being a leader in today's rapidly changing workplace has never been more rewarding. For employees aspiring to be a leader in State Government or those new to leadership, managing a team can sometimes feel overwhelming. So what's the secret to great leadership? The truth is - there is no "secret." Great leadership relies on building a solid foundation of skills and knowledge on many topics, such as those included in *iLEAD Delaware | Leadership Essentials*.

iLEAD Delaware | Leadership Essentials is the perfect starting point for statewide employees new to leadership and those looking to advance into leadership roles. Employees can access the self-paced online training remotely both in and out of the state network. Leadership Essentials features 44 courses that range from 10 -115 minutes in length and include in-depth training on:

- Building and Leading Teams
- Coaching and Developing
- Communicating with Impact
- Creating Clarity and Focus
- Developing Employees
- Driving Performance
- Motivating and Engaging Others
- Self-Awareness
- Understanding Others
- Workplace Environment

State of Delaware employees may register for Leadership Essentials by logging into the Delaware Learning Center.
