

State of Delaware Leadership Program

Leadership Essentials

Leadership Essentials is the perfect starting point for statewide employees new to leadership and those looking to advance into leadership roles. Employees can access the self-paced online training remotely both in and out of the state network. Leadership Essentials features 44 courses that range from 10 - 115 minutes in length and include in-depth training on:

- Building and Leading Teams
- Coaching and Developing
- Communicating with Impact
- Creating Clarity and Focus
- Developing Employees
- Driving Performance
- Motivating and Engaging Others
- Self-Awareness
- Understanding Others
- Workplace Environment

Completion of Leadership Essentials is a prerequisite for other training in this program.

Registration:

Leadership Essentials does not require an application process.

State of Delaware employees can register for the Leadership Essentials curriculum by logging into the [Delaware Learning Center](#) and searching for the curriculum.
