Delaware Equal Pay  
Fact Sheet

## DELAWARE PAY EQUITY

Nationally, women earn 82% of men's median earnings.<sup>1</sup> The wage gap for all [#DelawareWomen](#) is narrower; in the First State, women can expect to be paid 85% of men's median earnings.<sup>2</sup>

However, we know that this gap isn't the same for **ALL** women. Women of color face a significantly larger pay gap, as compared to their white female counterparts.<sup>3</sup>

## DELAWARE LAWS COMBATting THE WAGE GAP

Over the last few years, **Delaware has taken meaningful steps to reduce the gender wage gap** by:

- ✓ Prohibiting employers from inquiring into an applicant's compensation history (HS 1 for HB 1, 149<sup>th</sup> General Assembly).
- ✓ Requiring that employers receiving contracts from the State shall certify in that contract that, in addition to already mandated fair business practices, the contractor shall ensure that its employees receive equal pay for equal work without regard to sex (HB 3, 148<sup>th</sup> General Assembly).
- ✓ Banning wage secrecy by prohibiting employers from preventing employees from disclosing his or her wages (HB 314, 148<sup>th</sup> General Assembly).
- ✓ Expressly prohibiting employers from taking adverse employment action against an individual based on his or her reproductive health care decisions (HB 316, 148<sup>th</sup> General Assembly).
- ✓ Prohibiting discrimination in employment based upon an individual's caregiving responsibilities, and ensuring that Delaware workers with responsibilities for child care, elder care, or both, receive equal employment opportunities and are protected from discrimination in the workplace (HB 317, 148<sup>th</sup> General Assembly).
- ✓ Increasing the minimum wage in Delaware to \$9.25 by October 2019 (SB 170, 149<sup>th</sup> General Assembly).
- ✓ Providing 12 weeks of paid parental leave for eligible state employees, mothers and fathers (HB 3, 149<sup>th</sup> General Assembly).
